

Market Statistics

Market Statistics allows an investor to gain an in-depth view of the stock movement. You can view Bid and Ask, Queue Track, Trade Summary, Time and Sales. To access these features, open up a counter information ticket and click on **“Market Statistics”** to expand the section.

The screenshot shows the OCBC Securities Market Statistics interface. At the top, there are navigation tabs: Markets, Watchlists, Orders, Portfolio, Payments & Ledger, and More. Below this, there are filters for SGX, Stocks, and Top volume. A list of stocks is displayed on the left, including DISA, SINGTEL, SJIUTIAN CHEMICAL, S HATTEN LAND, CAPLAND INTCOM T, MAPLE TREE COM TR, GOLDEN AGRI-RES, YZJ SHIPBLDG SGD, and GENTING SING. The selected stock, YZJ SHIPBLDG SGD, is shown in detail on the right, including its last price (1.32 SGD), total volume (17.244M), bid (1.31), and ask (1.32). A 'Market Statistics' button is highlighted with an orange box.
