

Market Statistics

Market Statistics allows an investor to gain an in-depth view of the stock movement. You can view Bid and Ask, Queue Track, Trade Summary, Time and Sales. To access these features, open up a counter information ticket and click on “Market Statistics” to expand the section.

The screenshot shows the OCBC Markets interface. On the left, there is a list of stocks with columns for Code, Name, Change, and Last price. The stock YZJ SHIPBLDG SGD is highlighted. On the right, a detailed view for this stock is shown, including its last price (1.32 SGD), total volume (17.244M), bid (1.31), and ask (1.32). Below this, there is a 'Summary' section with various financial metrics and a 'Chart' section. The 'Market Statistics' option is highlighted with an orange box.

Market Statistics features

- Bid and Ask

View the “live” buy and sell queue of the counter.

The screenshot shows the 'Bid and Ask' section for the stock YZJ SHIPBLDG SGD. It displays a table of buy and sell orders with columns for Buy bar, Buy vol, Buy price, Sell price, Sell vol, and Sell bar. The buy side shows a total volume of 34% (18,427,100) and the sell side shows 66% (35,236,800). The table lists individual orders with their respective volumes and prices.

Buy bar	Buy vol	Buy price	Sell price	Sell vol	Sell bar
