Introduction

The Lion-OCBC Securities APAC Financials Dividend Plus ETF is the world’s first APAC Financials ETF, riding on APAC’s financial strengths while providing investors with stable dividends².

² Distributions are not guaranteed. Distributions may be made up of income, capital gains, and/or capital

Investment Objective

The investment objective of the Fund is to replicate as closely as possible, before expenses, the performance of the iEdge APAC Financials Dividend Plus Index using a direct investment policy of investing in all, or substantially all, of the underlying Index Securities.

The Index is compiled and calculated by Singapore Exchange Limited. The Index aims to track the 30 largest and most tradable companies listed in Asia Pacific and is designed to provide access to stable dividend payout attributes and growth in the financial sector.

Why invest in Lion-OCBC Securities APAC Financials Dividend Plus ETF?

Focus

Focus on 30 largest and most tradable APAC financial institutions³ by Free-Float Market Capitalisation⁴

Income

Stable quarterly distribution⁵ (minimum 5% pa of the Issue Price) for first 2 years

Growth

Potential capital appreciation in the APAC Financials Sector

³ The company’s business sector must be classified as “Banking, Insurance, Investment Services, or Specialty Finance & Services”, as defined by FactSet’s Revere Business Industry Classification System (RBICS)

⁴ Based on the underlying Index Securities of the iEdge APAC Financials Dividend Plus Index

⁵ As set out in the prospectus, distribution payments shall, at the sole discretion of the Manager, be made out of either [a] distributable income; or [b] capital gains; or [c] capital of the Deposited Property or a combination of [a] and/or [b] and/or [c]. Distributions are not guaranteed and may fluctuate. Past performance, yields, and payments are not necessarily indicative of future or likely performance, yields, and payments. Distribution payouts and its frequency might be changed at the Manager’s discretion and can be made out of distributable income, capital or both. Any payment of distributions by the fund may result in an immediate reduction of the net asset value per share/unit. The Fund seeks to invest all or substantially all of the Fund’s assets in Index Securities in substantially the same weightings as reflected in the Index. Please refer to the fund prospectus for more information on the ETF’s distribution policy

Disclaimer – Lion Global Investors Limited

This advertisement or publication has not been reviewed by the Monetary Authority of Singapore. It is for information only, and is not a recommendation, offer or solicitation for the purchase or sale of any capital markets products or investments and does not have regard to your specific investment objectives, financial situation, tax position or needs.

You should read the prospectus and Product Highlights Sheet of the Lion-OCBC Securities APAC Financials Dividend Plus ETF ("ETF"), which is available and may be obtained from Lion Global Investors Limited (LGI) or any of its distributors and appointed Participating Dealers ("PDs"), for further details including the risk factors and consider if the ETF is suitable for you and seek such advice from a financial adviser if necessary, before deciding whether to purchase units in the ETF.

Investments in the ETF are not obligations of, deposits in, guaranteed or insured by LGI or any of its affiliates and are subject to investment risks including the possible loss of the principal amount invested. The performance of the ETF is not guaranteed and, the value of its units and the income accruing to the units, if any, may rise or fall. Past performance, payout yields and payments, as well as, any prediction, projection, or forecast are not necessarily indicative of the future or likely performance, payout yields and payments of the ETF. Any extraordinary performance may be due to exceptional circumstances which may not be sustainable. Dividend distributions, which may be either out of income and/or capital, are not guaranteed and subject to LGI's discretion. Any such dividend distributions will reduce the available capital for reinvestment and may result in an immediate decrease in the net asset value of the ETF. Any references to specific securities are for illustration purposes and are not to be considered as recommendations to buy or sell the securities. It should not be assumed that investment in such specific securities will be profitable. There can be no assurance that any of the allocations or holdings presented will remain in the ETF at the time this information is presented. Any information [which includes opinions, estimates, graphs, charts, formulae or devices] is subject to change or correction at any time without notice and is not to be relied on as advice. You are advised to conduct your own independent assessment and investigation of the relevance, accuracy, adequacy and reliability of any information or contained herein and seek professional advice on them. No warranty is given and no liability is accepted for any loss arising directly or indirectly as a result of you acting on such information. The ETF may, where permitted by the prospectus, invest in financial derivative instruments for hedging purposes or for efficient portfolio management. **The ETF's net asset value may have higher volatility as a result of its narrower investment focus on a limited geographical market, when compared to funds investing in global markets.** LGI, its related companies, their directors and/or employees may hold units of the ETF and be engaged in purchasing or selling units of the ETF for themselves or their clients.

The units of the ETF are listed and traded on the Singapore Exchange Securities Trading Limited ("SGX-ST"), and may be traded at prices different from its net asset value, suspended from trading, or delisted. Such listing does not guarantee a liquid market for the units. You cannot purchase or redeem units in the ETF directly with the manager of the ETF, but you may, subject to specific conditions, do so on the SGX-ST or through the PDs.

Disclaimer – OCBC Securities Private Limited

The distributions will be a minimum of 5% per annum of the issue price per unit during the ETF's initial offer period for the first 2 years. Thereafter, there will be a targeted dividend yield of around 5% per annum of the Net Asset Value per unit, less expenses. Distributions may be paid from distributable income, capital gains and/or capital. These distributions are not guaranteed and are subject to the fund's distribution policy. For full details, refer to the fund prospectus. Past performance, yields, and payments are not necessarily indicative of future or likely performance, yields, or payments.
